The Internet has truly transformed (21) \_\_\_\_\_\_\_\_\_ students do their homework. While homework today still means spending time in the library, it's for a different reason. Rather than using books for research, students today can get (22) \_\_\_\_\_\_\_ to the Internet to download enormous amounts of data available online. In the past, students were limited to their school's selection of books. In many cases, they got to the school library and found (23) \_\_\_\_\_\_\_ that someone had already taken the books they needed. Nowadays, such inconvenience can be avoided since the Internet never runs out of information. Students, (24) \_\_\_\_\_\_, do have to make sure that the information they find online is true. Teachers have also benefited from the homework which is done on the Internet. They do not need to carry students' papers around with them anymore. This is because online materials allow students (25) \_\_\_\_\_\_\_ their homework for teachers to read and mark. Of course, this also means that students can no longer use the excuse that the dog ate their homework!
