**Read the travel guide. Fill in each gap with NO MORE THAN THREE WORDS from the text.**

Are you preparing for an amazing international trip? Before you leave, you should do a few things to ensure that your trip goes as planned.

### **Passport and Visa**

First, check the expiration date on your passport. If it's about to expire, make sure to renew it before traveling. Additionally, if the country you plan to visit requires a visa, apply for it as soon as possible.

### **Plan where to go and stay**

Plan everything carefully before you leave. For example, decide on the places you want to visit and stay. It's always important to learn about the local transportation and customs of your destination to avoid trouble when you're there.

### **Health and Vaccinations**

Visit your doctor or a travel clinic to check if you need to get any vaccinations for your destination. Some countries may have certain health risks, so it's important to be prepared. Take any necessary medications with you and pack a small first aid kit for emergencies.

### **Communication and Technology**

Consider getting an international SIM card for your mobile phone. This will allow you to stay connected with your family and friends when a Wi-Fi connection is not available. Also, remember to pack socket adapters for your electronic devices.

26. You should check the \_\_\_\_\_ on your passport before you travel.
