Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the best answer to each of the questions from 19 to 24.

I live in the centre of London. I love it because there's always something happening and there are people around whatever time it is. Famous people like it too - they often come here for the restaurants and shops. I've lived here all my life.

When I was little, I had singing lessons at a place near where I live now. I was afraid of the teacher at first, and some of the songs we did together were quite hard to learn. But she was good at what she did and I learned a lot of things that have helped me in my career.

When friends visit me now, I enjoy taking them sightseeing. You can get a bus around the city, but we prefer to walk, I've got a little car and I love driving, but there's so much traffic here, and it's hard to find parking spaces. One building I love is the Natural History Museum. They sometimes hold parties there, and last December my band and I played at one. I'll never forget it. When I go to exhibitions at the museum with my friends, I tell them all about that night and how **amazing** it was.

Soon I'll be leaving London to go on tour with my band. We're playing in lots of new cities, I can't wait to explore **them**. We've sold lots of tickets, which is great. I'll be away from my family for six months, but they're coming to see me sing, so it's fine.
